

The **POWER HORSE**

Guarantee

Dear Horse Owner:

The use of **POWER HORSE™** Naturally Chelated Trace Minerals has been tested through years of trials, which resulted in the development of a protocol of administration of this supplement, to aid in the prevention and the improvement of Founder and Laminitis and to improve the general health of the horse, minimizing the risk of developing other complications!

When given to the horses, for a period of at least 60 days, following the instructions exactly, the results expressed in the label and brochures will be obtained on the average horse.

If said results are not observed, please contact Dr. Carlos Cortelezzi at ANIMAL POWER SOURCE, Inc, Toll Free Phone (888) 295-0600, for an explanation on the length and way of supplementation. If the method of administration was followed accurately and no results were observed, your money will be refunded in full.
